

STATE OF HAWAII — DEPARTMENT OF TAXATION
BUSINESS INCOME TAX PAYMENT VOUCHER

GENERAL INSTRUCTIONS

PURPOSE OF FORM

If there is a balance due on Hawaii income tax Form N-30, N-30X, N-40, N-70NP, or N-310 (for business taxpayers), use Form N-201V, Business Income Tax Payment Voucher, to send the payment to the Department of Taxation. Using Form N-201V allows the Department of Taxation to process the payment more accurately and efficiently.

HOW TO COMPLETE FORM

Print the taxpayer's name, address, and taxpayer identification number in the space provided. Using black or blue ink, enter the date of the end of the tax year and the amount of the payment in the spaces provided. If the company has a foreign address, enter the complete country name in the country block.

Make the check or money order payable in U.S. dollars to the **"Hawaii State Tax Collector"**. Make sure the taxpayer's name and address appear on the check or money order. Write the taxpayer's FEIN, the year for which payment is made, and the form number of the income tax form being filed, e.g., "2002 Form N-30" on the check or money order. Do not send cash.

Detach Form N-201V where indicated. Do not submit this entire page. Attach the payment and Form N-201V to the front of the income tax form and send to the taxation district office where the taxpayer is required to file the form. The addresses of the district offices are as follows:
